KCTCS CREDENTIALS AND PROGRAMS

Credentials

KCTCS offers:

- 600 credit program options.
- Associate degrees, diplomas, and certificates

Associate degrees include transfer degrees and technical/professional degrees, many of which also transfer to four-year programs.

To earn an associate degree, a student must successfully complete 60 to 76 credit hours, depending on the program.

The diploma is designed to prepare students for employment in a specific technical field. To earn a diploma, a student must successfully complete 36 to 68 credit hours.

The certificate is primarily offered in technical programs and can be earned in as little as one semester, depending on the program.
