## Notes for Tuition and Charges & Items Included in Standard Cost

The KCTCS Office of Budget and Financial Planning reserves the right to correct any errors, inaccuracies, or omissions, and to change or update this information at any time.

All charges listed in "Items Included in Standard Cost" are considered included in the single rate of cost of attendance listed in Tuition and Fees. There is no additional charge for these items beyond what is listed at the KCTCS BOR approved tuition & charge rate provided the item is not a replacement and is taken for placement at time of entrance/registration, where entrance/registration is defined as from the first day of class for the session through the last day to enter an organized class.

Changes to charges for services to students are to be requested prior to implementation via the KCTCS Office of Budget & Financial Planning,
