

2010-2011 Verification Worksheet

Federal Student Aid Programs

Your FAFSA was selected for review in a process called Verification. In this process, your school will be comparing information from your FAFSA with signed copies of your (and your spouse's if you are married, or your parent's if you are dependent) 2009 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding federal aid. Your school is required to make corrections if there are differences between your FAFSA information and your financial documents.

Complete this verification worksheet and submit it, along with other required documents, to the financial aid office as soon as possible to avoid a delay in processing your financial aid. If you need help, contact the financial aid office at your school.
