

KCTCS Online

Kentucky Community and Technical College System's (KCTCS) sixteen colleges deliver quality online courses and programs through two ways to learn: Learn by Term and Learn on Demand http://kctcs.edu/Degrees_Training/KCTCS_Online.

KCTCS Online: Learn by Term is an alternative for many students who cannot attend classes on campus due to scheduling conflicts, childcare, work or other commitments. Learn by Term courses are offered as traditional semester long courses through all 16 of the Kentucky Community and Technical Colleges.

KCTCS Online: Learn on Demand is a revolution in online education, KCTCS Online: Learn on Demand offers students 100% online degrees, courses, and certificates in 6 -15 week courses.

Additional information about KCTCS Online courses and programs for both Learn on Demand and Learn by Term, including student information, may be viewed at the main KCTCS Online web page http://kctcs.edu/Degrees_Training/KCTCS_Online.

Online Programs

KCTCS Online Learn by Term – Semester-based Online Programs

KCTCS colleges offer KCTCS Online Learn by Term traditional, semester-based online programs including the Associate in Arts (AA), Associate in Science (AS), and Associate in Applied Science (AAS) degrees, as well as diplomas and certificates. Students must designate a KCTCS college as their Home College. The KCTCS Home College must have program approval to award the credential. Online classes are delivered by different KCTCS colleges, and the Home College accepts all system-wide online courses delivered by other KCTCS colleges. Online courses offered system-wide and posted at KYVC may be applied toward the required 25 percent of the approved curriculum credits to be completed at the college granting the degree. The student's Home College will provide student services including, but not limited to, admission, advising, registration, library services, billing and financial aid. Enrolled students will receive automatic e-mails providing user id and password information through the student KCTCS e-mail account.

All of the courses required for online programs can be taken fully online; however, some courses may require exams that are proctored and approved by the instructor. Instructors communicate with students through the Blackboard Learning Management System (LMS) or through KCTCS e-mail.

Students may register for KCTCS Online Learn by Term online classes offered system-wide directly at any KCTCS college. Individuals may also complete a "course inquiry" submit form through www.kyvc.org. KYVC course inquiries are submitted directly to the KCTCS Home College identified by the student. The student's chosen Home College processes the course inquiry either through formal admission procedures or class enrollment.

Students may register for KCTCS Online Learn on Demand by using the online application and registration process described in detail on the website <http://learnondemand.kctcs.edu>.

Additional information about KCTCS Online courses and programs for both Learn on Demand and Learn by Term, including student information, may be viewed at the main KCTCS Online web page http://kctcs.edu/Degrees_Training/KCTCS_Online.

KCTCS Online Learn by Term Current List of Semester-based Online Programs:

Degree

Associate in Arts

Associate in Science

Associate in Applied Science:

Administrative Office Technology

- Administrative Track
- Financial Assistant Track
- Desktop Publishing Track

Business Administration Systems

- Accounting Track
- Business Management Track
- Equine Business Management Track
- Finance Track
- Hospitality Management Track
- Human Resource Management Track
- Informatics Track
- Management Track
- Marketing & Retailing Track
- Office Systems Track
- Real Estate Management Track
- Telecommunication Systems Management Track
- Turf Grass/Landscaping Management Track

Computer & Information Technologies

Learn on Demand College Readiness Program

College Readiness courses help students build reading, writing, and math skills for success in college level classes. Enrollment in these courses is based on a student's College Readiness placement test results so students will only be enrolled in courses that they need.

Mathematics

- ENC 90 - Foundations of College Writing I
- ENC 91 - Foundations of College Writing II

Writing

- MAT 055 - Pre-Algebra
- MAT 065 - Basic Algebra
- MAT 085 - Intermediate Algebra

Reading

- RDG 020 - Improved College Reading
- RDG 030 - Reading for the College Classroom
- RDG 185 - College Reading
